MAKE A   
*difference*

Service is at the heart of every Mercerian. Spend a Saturday volunteering through Be a Good NeighBear, take an alternate route with Spring Break for Service, or participate in the University's most distinctive program, Mercer On Mission.

**Mercer On Mission** deploys students and faculty around the world to meet the most fundamental needs of humanity. Through Mercer On Mission Vietnam, Mercer students and faculty set up makeshift clinics to equip landmine victims with Mercer's own patented universal prosthetic, helping amputees regain their mobility.
